

Hello SW Regional Coaches,

We are ready to receive skater entries for the 2024 SW Regional Championships this June 22 - 26 at the Cal-Skate in Chico, CA. We have a new registration program (thank you to David Trumble for developing this) and for those new to this program, we encourage you to view the YouTube link below, prior to starting your entries. If you have questions, we have put contact information for you below.

A couple of requirements are:

1) Each Coach can enter their own skaters. However, if a skater has multiple Coaches, PLEASE, just one Coach enter them under the Club the skater is registered to. Example; Betty takes figures from Twiggy and takes dance from Kayla, either Twiggy OR Kayla should enter Betty in both figures and dance.

2) Once each Coach has finished entering all skaters and their events, email Fred and myself immediately. Fred will double check the entries and I will double check the total amount due and confirm for each Coach and then payment can be sent to SW Regional Board (additional instructions on payment options will be sent with the confirmation email back to the Coach).
